Corporate Sponsorship Opportunities

RAGTIME
THE MUSICAL

COMPAS is stepping back to 1906—when the air is filled with syncopated new music—to kick up its heels and raise \$25,000 so we can bring creative arts programs to more Minnesotans. Join us!

Your message and logo will be in front of arts supporters at both the Ragtime Benefit and the COMPAS Anthology Publication Celebration, all for one price.

YOU MAKE IT POSSIBLE...

School children, older adults, teens, hospital patients, and more will be able to **work directly with professional artists** to learn a new **skill**, discover their own **creativity** and make a better **community** for all of us.

Connecting communities, cultures and artists
