SPONSOR AN EVENT

HAVE FUN WHILE RAISING MONEY

Sponsor a one-day event and help us change lives through the arts!

ART BOLT

Employees pay to wear their Best Old Loser Tie. Votes are tallied to select the ugliest of them all. The person with the most votes wins.

CULTURE OR DOUGH EXCHANGE DAY

Encourage donations to support culture by handing out yogurt or trade a fresh-baked cookie for a donation as you give some of your “dough” when employees give some of theirs.

ART STRETCH

Collect entrance fees for employees to walk a course around or through your building. Celebrate the event with fresh fruit.

AN AFFAIR OF THE ARTS

Give employees a photo of top executives to take home for their “children” to draw. Employees pay \$5 to display a child’s drawing and/ or \$1 per vote. Create voting categories such as most colorful, most realistic, most modern. Send a donated prize home with participants.

CHILI COOK-OFF

Competitors create their best chili; employees pay for a bowl. Bowls are filled with tasting samples and employees vote for their favorite.

Bring some fun into your workplace while raising money for the arts. Sponsor a one-day, money-raising event with proceeds designated to **United Arts FUND.**
